**RE: Proposed Rule:  
Anchorage Grounds, Hudson River; Yonkers, NY to Kingston, NY  
Docket Number USCG-2016-0132**

I am requesting that you hold a public meeting in the Town of Cortlandt regarding proposed anchor sites in the Hudson River near our community at Montrose Point and area.

For your information the hamlets of Montrose and Verplanck are in the Town of Cortlandt and having an anchor site near our shores would be an impact to our many residents in this area.

I will be forwarding to the Coast Guard our official reasons why our town would oppose having an anchor location in the river off our shores.

Thank you for your consideration.
