Captain Edward Marohn
Governmental Affairs Officer
First Coast Guard District
Boston, MA 02110-3350

Dear Captain Marohn,

On June 9th 2016 an Advance Notice of Proposed Rulemaking was published on the Federal Register. The summary of this notice is that the Coast Guard is considering establishing new anchorage grounds in the Hudson River from Yonkers to Kingston.

In an effort to ensure that my staff and I possess the most accurate, up to date information, I write to request the details of this plan. It would also be helpful to have a chart or map which clearly identifies the locations being considered.

This correspondence should be sent to Kathy Fallon in my Kingston office at 721 Broadway, Kingston NY 12401. She can also be reached by phone at (845) 514-2322.

Please keep me advised of any future developments, and let me know if there is additional information you can provide.

Sincerely,

A handwritten signature in black ink, appearing to read "CPG".
